**MEMORANDUM**

SUBJECT: Triangle Parcel, Lower Silver Creek, Voluntary Cleanup Site VCP #070, Park City, Utah

FROM: Kathryn Hernandez, EPA RPM

TO: Bill Rees, UTDEQ

The Environmental Protection Agency has completed review of the revised *Work Plan Sampling and Analysis Plan and Quality Assurance Project Voluntary Cleanup Program Triangle Parcel Lower Silver Creek*, for the referenced site. We accept the revised plan and request that the surface water sampling begins during the 2011 field season, due to the exceptionally high water this year.
